Requirements on [REDACTED]

24 October 1958

1. Were the MIG-19 Farmers produced at Vodochody assembled from parts imported from the USSR or were the parts manufactured locally?
2. Is production of Farmer continuing at Vodochody or will another model be produced there?
3. How do the new fighters differ from versions described in the press? What is the identification?
4. How many of the new fighters have been produced?
5. Assembly of the new aircraft will be carried on at which plants?
6. Aside from the new fighter, will any other aircraft originally designed in the USSR be manufactured in Czechoslovakia?
7. Will more than one basic design be produced at any one aircraft plant?
8. Technical information for production of new aircraft came from what Soviet plant(s)?
9. Are plant(s) producing the new aircraft continuing to work more than one shift?
10. Approximately how many people are employed in production of the new aircraft?
11. What is the approximate unit cost of the new aircraft?
